PROFESSIONAL PROFILE

Motivated and hands-on maritime professional based near Barcelona, seeking to build a long-term career in yachting. Strong practical background in water-based operations, rescue work and teamwork, supported by maritime safety training, recreational skipper training and watercraft experience. Reliable, proactive and eager to learn deck operations from experienced crew. Comfortable working outdoors, in physically demanding environments and as part of a close-knit team.

MARITIME & RELEVANT EXPERIENCE

2025 & 2026 | LIFEGUARD - CASTELLDEFELS BEACH

- I provided seasonal lifeguard services in a high-responsibility, demanding coastal and aquatic environment focused on public safety through vigilance, surveillance, and prevention. In 2026, I specialized in the kitesurfing area, executing jet ski rescues for kitesurfers while coordinating closely with fellow lifeguards and the wider rescue team to deliver prompt emergency responses. Through this work, I developed strong situational awareness, effective teamwork, calm decision-making, and practical water-rescue skills.

2024 | BARCELONA TOURIST GUIDE

- Customer-facing experience providing guided tours in Barcelona, primarily in English to an international clientele, explaining major landmarks, local history, and points of interest. Developed strong communication, presentation, customer-service, and interpersonal skills.

2019-2023 | FIRST-LINE IT SUPPORT TECHNICIAN

- First-line IT support experience focused on incident management and service requests under ITIL alignment, performing technical troubleshooting, user identity and access management, and workstation provisioning while ensuring strict SLA compliance in a fast-paced environment.
